Dean (KB7QDI) called the meeting to order at 7:15pm

Discussion about the success of Field Day.

Discussed the potential for a joint Picnic between the 5.13 and 9.1

Indication was made that there are no park spaces available. KC9COY will check
and attempt to find a park space.

Dean (KB7QDI) emailed a number of echolink nodes that use it on a repeater and all the
responses he received indicated that they know they are PROBABLY breaking the rules
but there configuration is similar to how are attempting to do ours.

KC9DPR talked about changing the membership forms to be consistent.

KC9COY talked about ebaying old equipment to generate some additional revenue for
the club / antenna replacement.

KB7QDI talked about adding paypal as a viable option for paying dues.

Meeting adjourned at 8:01pm
