FOXTROT

On behalf of The Milwaukee Repeater Club, which sponsors this 146.91 repeater, operating under the callsign K9IZV, I would like to welcome you to the Sunday Night Swap Net. Everyone is invited to listen, and licensed Amateur Radio Operators, Technician Class or higher, are encouraged to check in with traffic, or without. The normal traffic this net handles is the listing of Amateur Radio, and related computer equipment that you would like to buy, sell, or trade. All equipment should be your personal property, unless you are handling the estate of an Amateur, or are relaying for an Amateur who cannot access this net.

This is a directed net, which means that all communications are carried out at the direction of this net control station. When I ask you specifically for your traffic, please respond with your name location, telephone number, with area code if not 414, or alternate frequency, and the items you wish to buy sell, or trade. If you are listing for an estate or another ham, please also list their name and callsign. On this net, you may NOT propose an asking price, unless it is \$0. Be advised that the ARRL published FCC Rule Book, approved by the FCC, suggests all negotiations be carried out off the air. Of course, discussion of equipment features can be carried out on the phone, on another frequency, or on this frequency after the net. Commercial sales, defined as selling and item or a service for a profit, are not allowed.

The call of the roll will be in alphabetical segments, based on the first letter following the numeral in your callsign. Mobile stations, who may get out of range, or reach their destinations, may ignore the roll call segments, and check in anytime. If you have emergency traffic during this net, please say the pro-word BREAK during the pause before the courtesy beep. We will then stop the net to handle your emergency traffic. That use of the word BREAK is our standard procedure on this very busy frequency. If you need the frequency with NO emergency, simply say your callsign before the beep, and you be directed to go ahead as soon as possible.

During check-in periods, please respond with only your callsign in standard phonetics, and whether you have traffic or not. We will now begin accepting check-ins in the segment of A-Alpha thru C-Charlie.

Again this is \_\_\_\_\_ (callsign) and my name is \_\_\_\_\_.

w A - Alpha through C - Charlie come now please.

w D - Delta through F - Foxtrot come now please.

w G - Golf through I - India come now please.

w J - Joliet through M - Mike come now please.

w N - November through P - Papa come now please.

w Q - Quebec through S - Sierra come now please.

w T - Tango through V - Victor come now please.

w W - Whiskey through Z - Zulu come now please.

Is there any final business for this net? (pause) If not, this net is now secured at \_\_\_\_\_ PM  
CST(CDT) Thank you all for participating. There were \_\_\_\_\_ of us.

We will now return the repeater to normal amateur use.

This is \_\_\_\_\_, my name is \_\_\_\_\_. 73 and good night.
