We encourage the new, as well as the seasoned Amateur Radio operator to make use of our fine system. The Milwaukee Repeater is an open repeater, and newcomers are welcome. Stop by and visit us while in the greater Milwaukee area.

Our nickname is “The Friendly One” because we try very hard to make the 146.91 a great place for hams to meet their friends and to make new ones. We make it a point to contact new arrivals on the repeater and to make them feel welcome.

We encourage you to contact any of our Board of Directors if you have any questions. You can also get more information from our web page <http://www.mrc91.org> or our Facebook page.

You are always welcome to visit us at our meetings held at Waterstone Bank 6560 S. 27th St. Oak Creek, WI 7:00 PM
See our website <http://www.mrc91.org> for dates
