

## SUNDAY NIGHT PUBLIC SERVICE PREAMBLE

### SUNDAY 8PM PREAMBLE TO NET

“Good evening! This is \_\_\_\_\_ (call sign) and my name is \_\_\_\_\_. I am located in \_\_\_\_\_ (city, town, village) and I will be net control for this evening. On behalf of the MRC91, I would like to welcome you to the Sunday night Public Service Standard Announcements.

Check ins are in alphabetical segments, based on the first letter following the numeral in your call sign. Mobile stations may ignore the roll call segments and check in at any time.

During check ins, please respond with your call sign in standard phonetics, your first name and whether you have traffic or not. Again, this is (name and call)”.

“We will now begin check ins with any mobile stations”:

*(acknowledge by repeating what you heard and logged, or “hearing none, we will take check ins from”)*

#### Call sign segment suggestions

ALPHA	GOLF	LIMA	QUEBEC	WHISKEY
BRAVO	HOTEL	MIKE	ROMEO	X-RAY
CHARLIE	INDIA	NOVEMBER	SIERRA	YANKEE
DELTA	JULIET	OSCAR	TANGO	ZULU
ECHO	KILO	PAPA	UNIFORM	
FOXTROT			VICTOR	

*“A -alpha thru D-delta come now please” (and so on)*

*When a net typically does not have a lot of check ins, it is suggested to do larger segments during the check in period, it is your call.*

*Please remember to use your call sign at least every 10 minutes per FCC regulations. Also, ask your guests to repeat their call sign if you read it back incorrectly.*

**Please take all check ins prior to the traffic portion of the net.**

**“Ok, first on the list is the Standard Announcements, go ahead with the announcements (name and call of person doing the announcements)”**

**AFTER THE ANNOUNCEMENTS**

**“Are there any additions or corrections to the announcements?”**

**“Next up on the traffic list is \_\_\_\_\_” “The net is yours (name and call)”**

**At the end of the net ask for any late check ins. If there are none say, “Hearing none, this net is now secured at \_\_\_\_\_pm. Thank you all for participating”. “We will now return the repeater to normal amateur use”. “This is (name and call) 73 and good night”.**
