Prez News

Well what a year! Had some great events and quite a few new faces this year. Our Club elections are right around the corner and are very important. The election process is a bit different this year, as we are not contacting each member individually. We ask that if you care to run, or are interested in nominating some one else, simply speak with that person, get their agreement to run, and email your nomination to mrc91nominations@gmail.com. We are also taking accepted nominations from the floor the night of elections. The nominees must be a MRC91 Paid Member. These positions also require a serious commitment to the club. This club needs a Board that is engaged in the club, activities and the repeater as well. We are hopeful to serve you again in 2019. I will be running again as your Club President, and am going to ask for your vote. Thank you to all of you that have already joined and renewed your Membership! If you plan to Vote in the January Election, come to the meeting early and we can help you renew before the meeting. I imagine with the warm weather, lots of antenna work is being done. I guess its a blessing...the quiet before the storm. Maybe we will have a mild winter. Well with that being said, I look forward to seeing you soon.

Karen KC9WQJ
MRC91 President

From the Activities Manager

Well the Holidays are over and it was great seeing everyone at the Christmas Party. For sure, 2018 was a great year, and looking towards the year ahead. I enjoyed my position as Activities Manager this past year, however I plan to run as your Vice President in the upcoming Election. This Board works well together and we all hope you continue to support us with your votes. Look forward to seeing you on Wednesday January 16th.
