Prez News

Well another year ahead of us and thank you to those who voted for me again this election. I do enjoy working with this club and I do promise do my best of what is expected of me. At our short January meeting several things were brought up. Number one, the Holy Hill site. I will personally get some current information as to the radio situation. Secondly, there was a bit of discussion about Field Day, and although it seems early, we will have a few things to discuss there as well. We do appreciate everyone's input and even if you are unable to attend we are all easy to contact. All current info is on the web site... The coffee will be hot and we will have cookies or some snacks at the next meeting...Until then, stay warm...

You know they do say that antennas put up in the winter last the longest, with the weather coming up this week, any antenna you put up should last forever! Haha! See you all at the next meeting, and thank you again so much for electing me.

Take care,
Steve Mueller

From the Activities Manager

I passed my first test at Superfest 2012 with the help of my Father and elmer, NF9P. My first contact on the .91 was to Warren K9IZV shortly there after, and I've been having a lot of fun ever since. A couple license upgrades and callsign changes

and here I am. My current callsign is a vanity, and what makes it so cool, is that it was my Father's Advanced class callsign before he upgrades to Extra. He is
